The preliminary screening of human health risks does not consider risks to Suquamish Tribal members so text will need to be revised.

Thanks,
Alison

Subject: Bremerton Gasworks sampling July 8-9, 2013

We now have things lined up to sample the beach and the slope at the Bremerton Gasworks site next Monday and Tuesday. I am attaching the sampling and work plan for your reference. We hope to have data back in early August. Please email or give me a call if you have any questions.
